INTERNATIONAL WORKSHOP

on

“Neuropharmacology of Addiction”

An event under
GIAN
Global Initiative of Academic Networks

October 9-13, 2017

Organized by
Panjab University, Chandigarh

under the aegis of

About GIAN

Global Initiative of Academic Networks (GIAN) is a new program approved by Govt. of India which is aimed at tapping the talent pool of scientists and entrepreneurs, internationally to encourage their engagement with the institutes of Higher Education in India so as to augment the country's existing academic resources, accelerate the pace of quality reform, exchange of scientific thoughts through collaborations and elevate India's scientific and technological capacity to global excellence.

Overview & Scope

Both theoretical and practical aspects of contemporary research into addiction. This will include an appraisal of the various animal models employed, characterisation of potential therapeutic targets and the broader consequences of substance abuse. Course participants will learn these topics through lectures and hands-on experiments. Also case studies and assignments will be shared to stimulate research motivation of participants.

About Chandigarh

Chandigarh is one of the most beautiful and well planned cities of India, designed by the French architect Le Corbusier. Serenity and a city are normally two diametrically opposite concepts, which however, get belied in the 'City Beautiful'. Chandigarh is a rare epitome of

modernization co-existing with nature's preservation. The city is located near the foothills of the great mountains of Himalayas with the Queen of Hills, Shimla.

About Panjab University

Panjab University (PU) a public collegiate university located in Chandigarh, is one of the oldest Universities in India established in 1882. University campus is spread over an area of 550 acres in sectors 14 and 25 of the city of Chandigarh. It is among the top ranked Universities of India. Panjab University has a long tradition of pursuing excellence in teaching and research in science and technology, humanities, social sciences, performing arts and sports. PU campus is also attracting and supporting the best minds and recruiting faculty who excel at teaching and research. University has 78 teaching and research departments and 15 Centers/Chairs in the main campus. University has 188 affiliated colleges spread over Punjab. Gandhi Bhawan- the major landmark of 'city beautiful' is located at the university campus and has stunning architectural structure.
