

FLORIDA POLY

Dr. Ajeet Kaushik, Ph.D. Fellow-ICS
Director-NanoBioTech Laboratory
Deptt. of Environmental Engineering,
Florida Polytechnic University, USA
(H-index = 64, citation > 15000)

11:00 a.m.
July 20, 2023

**Seminar Hall, Department of
SAIF/CIL, P.U. Chandigarh**

Special Expert Lecture on NANO-ACCELERATED INTELLIGENT WEALTH WELLNESS

Dr. Kaushik is an accomplished scholar (supported by more than 250 publications, editorial roles, 10 edited books, 3 patents, and numerous international collaborations) and the recipient of several international awards. His research interests include Green Chemistry, Electrochemistry, Chemical Sensors, Biosensors, Nanomedicine, Point-of-Care Sensing, and Personalized Sensing. Dr. Kaushik is focused on cutting-edge research of societal importance and seeks collaborations with scientists/academicians working in similar domains.

**Organized by:
SAIF/CIL, Panjab University,
Chandigarh**
